USING PLANWITHEASE.COM

Your employer has selected planwithease.com as the website to be used to request approval for certain distributions (e.g., loans, hardship withdrawals, transfers, etc.) from your retirement plan. While planwithease.com provides approval for distribution transactions, the actual distribution of assets from your account must be processed by the Investment Provider(s) you have elected for your retirement plan. The Participant User Guide in planwithease.com provides further explanation and an overview of each screen. The Guide can be found by selecting “Documents” from the top menu once logged into planwithease.com.
